Clark, who has been in the grocery line for so many years at the Centre as to become familiar to all, will to-morrow start a grocery store for himself at No. 25 Broad St. He starts with a very carefully selected stock of goods such as good housekeepers will be pleased to examine, as the prices are favorable to the consumer.

The Township Committee will meet next Monday afternoon and will be of considerable interest, as two new members will take their seats. The Committee will be reorganized and the work readjusted, it is presumed. Appointments of the police are also to be made in conformity to the increased appropriations.

The wedding ceremony was performed at the residence of the bride's parents, 204 Lexington Ave., New York City. Rabbi C. Ahron officiated. Miss Helen Bloch sister of the groom was bridesmaid and Henry Straus best man.

Now that Mechanic street, which was long for so many years, has been found, there is no reason why it should not be put in condition for use at once. It will be a great convenience for vehicles passing from Washington street to streets south without the necessity of crossing the railroad track. Will the new Aldermen of the Third Ward make a move to get the street worked?

A new base ball club has taken the field in Bloomfield and will dispute with the others for laurels upon the base ball field. "The Excelsior" has organized as follows: Captain and pitcher, Fred R. Saturday night he made a combination of his own and left for parts unknown, taking with him a suit of clothes belonging to Mr. Carew, his watch and chain and several other articles of lesser value. Mr. Carew has been on his trail but has not been able to find him.

It will occur on Wednesday evening, May 3rd, prox. at the Sunday School rooms of the First Presbyterian Church. The performance will be varied, including soprano solos, violin obligato, and violin solos by Prof. Carl Hugo Engel, whose performance at the Organist Concert last Tuesday was so much admired, and a pleasing programme for the Orchestra.

The Mozart Club, though not publicly heard from of late, has been doing some very creditable work and has made much improvement under the able leadership of Prof. Chas. F. Elshorn, of Newark. Prof. Elshorn will lead the Club upon this occasion.

Westminster.  
After the church services on Sunday morning, the sum of \$1,500 was raised among the members for the liquidation of the floating debt on the church. The Westminster people have gained the reputation of generous givers. During the past year the church collections have amounted to \$17,000. During the week of self-denial for missions the Christian Endeavor Society alone contributed in the neighborhood of \$175, which when it is remembered that the membership is about fifty, sounds like a remarkably generous gift. The pews in the church were rented for the coming year, very few changes were made.

At the fair recently given by the boys of Westminster Church at Mrs. Paul's, thirty dollars was realized, twenty of which will be contributed to the Seaman's library fund.

The monthly union prayer meeting will be held in the Westminster Church on Thursday evening next at 8 o'clock. Subject, "The Religious Interests at the World's Fair."

The Newark Conference of the M. E. Church closed its session in Jersey City on Tuesday. Rev. R. B. Collins has been returned to Park M. E. Church for another year. Rev. J. C. Winans from Bernardville, has been sent to the Watessing M. E. Church and will preach his first sermon there next Sunday morning. Rev. Elbert Clement has been transferred from Watessing to Irvington. ## Lions in the Cellar.

Quite a remarkable discovery was made this week by one of Robert Williams' sons who is employed by George H. Thomas of Bay Avenue. There is a large unused cellar underneath the barn, and young Williams had occasion to visit it for some reason or other, but he did not remain long and it is safe to suppose that he did not accomplish his errand, for he came bounding back to announce that there were two lions in the cellar. Investigation proved that the lions were two of the largest St. Bernard dogs ever seen by the discoverers. It is still a mystery where they came from, but it is supposed that they were stolen and placed there for safe keeping until a reward should bring them to light.

## In The Orphan's Court.

CREDITORS OF THE DARWIN ESTATE MAKE PETITION.  
The matter of the estate of the late Asahel G. Darwin, of Bloomfield, was brought up in the Orphan's Court on Tuesday. Mr. Darwin's estate and available assets at the time of his demise amounted to \$70,000 and the liabilities reached the same figure. Judge Gilhooley, of Elizabethtown, appeared in behalf of several persons to whom the estate was indebted \$40,000 and asked that their claims be taken into consideration. Judge Kirkpatrick took the papers in the case and will hand down a decision in a few days.

To speak, it is a trifle early to talk of blossoms, but not too soon to take of our own honest Home Made Suits.

## They

Are wonderfully well-made. Our very best efforts were put forth in the production of our Men's Spring Suits, at \$12, \$15 and \$18.

## Fit

Style and workmanship are the characteristics of every garment we show. You don't need the shape of an Apollo to look well in them.

## Perfect

Satisfaction is guaranteed with every fit, so much so that we pledge ourselves to take back unsold and return the cash for any article brought that does not give perfect satisfaction upon closest inspection at home.
